Alexandra is beautifully completed, following an inspired heritage reinvention by Suters Architects. Just 10 apartments have been created within the original 1904 red brick and sandstone Edwardian building. The facade has been beautifully restored and enhanced by a sensitive foyer and landscape. Inside each apartment heritage influences are retained - notably in high ceilings and curved timber window frames.

Alexandra is part of City Quarter, an award-winning Inner West neighbourhood on the northern edge of Camperdown, between Glebe and Annandale. Alexandra's residents will enjoy all the benefits of City Quarter's community, including a private indoor heated swimming pool and gymnasium, established gardens, local dining and a 50m outdoor pool.
