E3104, 1 Carlton St, Chippendale

SUB-PENTHOUSE SET HIGH ABOVE THE CITY AT SKY

1 Carlton Street is the private street address of Sky at One Central Park, drawing a subtle line of distinction between residents of Sky and those of One Central Park. A separate lobby, concierge desk and priority lift service complete the picture. Grand additions to this sub penthouse include an internal laundry, marble benchtop, high-end household appliances from Miele, Smeg, Westinghouse and Omega.

Sky at One Central Park has been created from a unique synthesis of some of the design world's most exciting minds. Pritzker prize-winning architect, Jean Nouvel; French botanist and environment artist, Patrick Blanc; lighting artist, Yann Kersale; and collaborating interior architect, Koichi Takada, have come together to create a suite of penthouse apartments like no other.

Property Features:

- Multi-International Architecture Awards
- Developer: Sekisui House & Frasers Property
- Architecture: Atelier Jean Nouvel in collaboration with PTW Architects
- Interior Design Sky Penthouse by Koichi Takada Architects
- Builder: Watpac
- Exclusive access to open-air Sky Garden suspended twenty-nine floors above landscaped parklands.
