Stunning Sleek Designer Luxury Living

This gorgeous unique designer 2.5 to 3 bedroom property has everything you could possibly want for in a premium luxury apartment flowing over 201.7 m2 in the beautiful boutique Connor building at the Central Park development.

Upon entering the open plan kitchen with gas cooking and all the modern conveniences and living area is generously spacious and light filled. The living area which has a huge amount of sleek storage space flows seamlessly out to an expansive outdoor area perfect for entertaining, unwinding and bringing a beautiful garden to life should your heart desire. Extremely private but with district views, this expansive space is a unique feature adding character and charm.

Upstairs the living quarters offers a beautiful master bedroom ample built in wardrobes and a stunning ensuite complete with his and her basins as well as a luxurious bath. The second bedroom is very generously sized again with ample built in wardrobe space .

There is an over sized study or third bedroom along with another bathroom complete with shower .

This property has been extremely well maintained and is virtually as new offering an amazing opportunity for someone looking for a beautiful home that does not compromise on style or space.

Features:

- 2.5/3 bedroom
- 3 bathroom
- Aircon
- dishwasher
