North-Facing Two-Bedroom Plus Study with Elevated City Views

Elevated on Level 25, this two-bedroom plus study residence showcases a highly desirable, light-filled northern aspect with expansive views across the city skyline and Town Hall. The well-proportioned layout centers around an open-plan living and dining zone wrapped in floor-to-ceiling glass, transitioning seamlessly onto a signature loggia that serves as a versatile, weather-protected extension of the internal living space. The main living area integrates smoothly with a modern kitchen equipped with an island bench, gas cooking, and streamlined storage.

Positioned directly off the entryway, a separate study room provides a highly functional and practical work-from-home space completely distinct from the social areas. Accommodation includes a spacious master bedroom features a private ensuite, alongside a second double-sized bedroom, both fitted with built-in wardrobes. The residence is complete with a second full contemporary bathroom, an internal laundry, and a secure basement car space.
