Prestige Two-Bedroom Living with secure parking space and enormous 11sqm storage

Superbly positioned on Level 17 within the coveted 'Regency Hyde Park' tower, this spacious apartment offers a sophisticated inner-city lifestyle directly opposite the park. The well-considered layout features a sprawling open-plan living and dining area that transitions out onto a covered balcony, perfect for embracing open cityscape vistas and sunsets. Adjoining the dining space is a high-quality granite kitchen outfitted with stainless steel appliances, a gas cooktop, and timber-toned cabinetry.

The floorplan provides excellent functional separation, positioning both bedrooms away from the main entry hallway. The master suite features dual built-in wardrobes and a full marble-accented ensuite with a bathtub and separate shower zone, while the second bedroom includes its own built-in wardrobe. Complete with a separate bathroom, a dedicated internal laundry room, and ducted air conditioning, the property's crowning jewel is its exceptional basement storage capacity. On Basement Level 5, the residence boasts a secure car space directly adjacent to an uncommonly large, 11sqm lock-up storage room on title.
